## PREMIUM ROUND SAND INFILL

Featuring a special coating, including Zinc Omadine™ ZOE™ Antimicrobial, to effectively inhibit the growth of bacteria, mold, and mildew while reducing ammonia odor from pet urine. Notably, this infill is less abrasive than other alternatives due to its rounded shape. The rounded configuration also facilitates enhanced drainage, helping to prevent damage to the blades.

- ✔ **Anti-mildew protection**
- ✔ **Non-toxic, pet and kid-friendly**
- ✔ **Long-lasting and brilliant color quality**
- ✔ **Settles into turf surface easily without compacting over time**
